

The diagram shows a white rectangular area representing a document page. It is framed by several lines: a thick black border, a dashed green line, a solid magenta line, and a dashed blue line. On the right side, there are two L-shaped cutouts. Text labels with leader lines point to specific lines: 'Bleed Line' points to the dashed green line, 'Cut line' points to the solid magenta line, and 'Crease Line' points to the dashed blue line. A large text instruction is located in the lower-left area of the page.

Bleed Line
Background imagery is to be
extended to this line.

Cut line
Where your artwork will be cut.

Crease Line
This is where the artwork will be
creased and folded.
