

PPWR: EU Declaration of Conformity

Kite Packaging Limited. Registered at: Puma Park, 102-106 Scimitar Way, Coventry CV3 4GB

Applicable Legislation

This declaration is made in accordance with: Directive 94/62/EC on Packaging and Packaging Waste Regulation (EU) 2025/40 [PPWR – Packaging and Packaging Waste Regulation], where applicable and as adopted.

Packaging Item

This declaration applies to the following product and associated packaging:

Product Code	CDW121206
Description	Double Wall Carton 12x12x6"
PPWR material classification	Paper / Cardboard (fibre based)
Weight (kg)	0.275
PFAS status	Not present

Compliance with Essential Requirements

Substances of Concern (SoC) - Article 5: The packaging is manufactured in compliance with applicable restrictions on substances of concern, including REACH requirements. Based on available data, no substances of very high concern (SVHCs) are present.

Heavy Metals - Article 5: The sum of the concentration levels of lead (Pb), cadmium (Cd), mercury (Hg), and hexavalent chromium (Cr⁶⁺) in the packaging does not exceed 100 mg/kg, in line with regulatory requirements.

Recyclability (EN 13430) - Article 6: The packaging is being assessed for this article.

Minimum Recycled Content in Plastic - Article 7: The packaging is being assessed for this article.

Bio-based Feedstock in Plastic Packaging - Article 8: The packaging is being assessed for this article.

Compostability - Article 9: The packaging is being assessed for this article.

Packaging Minimisation (EN 13428) - Article 10: The packaging is being assessed for this article.

Reuseability - Article 11: The packaging is being assessed for this article.

Labelling - Article 12: The packaging is being assessed for this article.

Declaration

We hereby declare that the packaging supplied with the above-mentioned product(s) complies with the applicable requirements of European packaging legislation, based on the information available at the time of issue. This declaration is based on a combination of: supplier material declarations, internal technical assessments and available analytical test data (including heavy metals where applicable).

Scope and Limitations

This declaration applies to the packaging as supplied by Kite Packaging Limited. It does not cover modifications made after supply or use outside of intended applications. Valid from 1st January 2026.

PFAS status	Not present

Compliance with Essential Requirements

Substances of Concern (SoC) - Article 5: The packaging is manufactured in compliance with applicable restrictions on substances of concern, including REACH requirements. Based on available data, no substances of very high concern (SVHCs) are present.

Heavy Metals - Article 5: The sum of the concentration levels of lead (Pb), cadmium (Cd), mercury (Hg), and hexavalent chromium (Cr⁶⁺) in the packaging does not exceed 100 mg/kg, in line with regulatory requirements.

Recyclability (EN 13430) - Article 6: The packaging is being assessed for this article.

Minimum Recycled Content in Plastic - Article 7: The packaging is being assessed for this article.

Bio-based Feedstock in Plastic Packaging - Article 8: The packaging is being assessed for this article.

Compostability - Article 9: The packaging is being assessed for this article.

Packaging Minimisation (EN 13428) - Article 10: The packaging is being assessed for this article.

Reuseability - Article 11: The packaging is being assessed for this article.

Labelling - Article 12: The packaging is being assessed for this article.

Declaration

We hereby declare that the packaging supplied with the above-mentioned product(s) complies with the applicable requirements of European packaging legislation, based on the information available at the time of issue. This declaration is based on a combination of: supplier material declarations, internal technical assessments and available analytical test data (including heavy metals where applicable).

Scope and Limitations

This declaration applies to the packaging as supplied by Kite Packaging Limited. It does not cover modifications made after supply or use outside of intended applications. Valid from 1st January 2026.

PPWR: EU Declaration of Conformity

Kite Packaging Limited. Registered at: Puma Park, 102-106 Scimitar Way, Coventry CV3 4GB

Applicable Legislation

This declaration is made in accordance with: Directive 94/62/EC on Packaging and Packaging Waste Regulation (EU) 2025/40 [PPWR – Packaging and Packaging Waste Regulation], where applicable and as adopted.

Packaging Item

This declaration applies to the following product and associated packaging:

Product Code	PBR9X12.75-KITE
Description	Poly Bag Resealable 9 x 12.75"
PPWR material classification	Plastic – LDPE
Weight (kg)	0.00615
PFAS status	Not present

Compliance with Essential Requirements

Substances of Concern (SoC) - Article 5: The packaging is manufactured in compliance with applicable restrictions on substances of concern, including REACH requirements. Based on available data, no substances of very high concern (SVHCs) are present.

Heavy Metals - Article 5: The sum of the concentration levels of lead (Pb), cadmium (Cd), mercury (Hg), and hexavalent chromium (Cr⁶⁺) in the packaging does not exceed 100 mg/kg, in line with regulatory requirements.

Recyclability (EN 13430) - Article 6: The packaging is being assessed for this article.

Minimum Recycled Content in Plastic - Article 7: The packaging is being assessed for this article.

Bio-based Feedstock in Plastic Packaging - Article 8: The packaging is being assessed for this article.

Compostability - Article 9: The packaging is being assessed for this article.

Packaging Minimisation (EN 13428) - Article 10: The packaging is being assessed for this article.

Reuseability - Article 11: The packaging is being assessed for this article.

Labelling - Article 12: The packaging is being assessed for this article.
